

ACCESS INTERNATIONAL

QUALITY DESIGNS FOR GENERATIONS

INTRODUCTION TO OUR SERVICES

Access International (AI) is a ONE STOP SOLUTION provider for Solar Installers, Distributors and Professionals across USA for all your Designs, Proposals and PE Stamping related requirements in the field of Solar (Residential and Commercial both) and in EV Charging sector.

We are a Team of most Knowledgeable and Experienced Design Engineers / CAD Professionals handpicked just to provide **“QUALITY DESIGNS”** with **“FASTEST TAT”** at most **“COMPETITIVE and FAIR PRICING”**.

At AI, we have a proven track record of **98% or more AHJ Approval rate**, **planset deliveries within 4 - 5 Hours** to our customers, we also **delivered projects to various states across USA** like **California, Florida, Texas, Colorado, New Jersey, Illinois, Nevada, New York etc.** We have a hardworking and passionate team of **80+ Designers** working Day & Night specially as per US Time Zone delivering **300+ Daily Plansets** and the capacity can be ramped up in no time as per customer requirements and to cater to the rising volumes for all project sizes.

AI ensures minimum time lost on new designs or revisions enabling fastest AHJ approvals and installations at project site. AI removes the need for an in-house Design team. Our service offerings include the following:

- **Design Permitting Solutions** (*Residential, Commercial and Utility*)
- **Design TAT** - 4 to 5 Hours (*Non-Stamp Designs*) & 24 - 48 Hours (*Design with Stamps*)
- **PV Sales Proposals** (*Prelim Report, Shade Analysis / Reports*)
- **24X7 Technical Support** (as per US Time Zone)
- **Professional Structural and Electrical Engineering Stamps** (*PE Stamps*)
- **Customised Design Template** (*As per Customer requirement*)
- **Battery Designs** (*at no additional cost*)
